

That was then, this is Wow!

ALBERTA BAIR THEATER RENOVATION

Alberta Bair Theater

“The renovated Alberta Bair Theater will become the cultural landmark for the northern high plains.

Dear Friends of ABT,

We have embarked on an exciting and historic journey. It's been 31 years since the original Fox Theatre was renovated to become our beloved Alberta Bair Theater. We are now moving forward with a dramatic renovation.

Since opening in 1987, tens of thousands of people have delighted in performances of Tony awarded Broadway musicals, Grammy awarded musicians, classical music virtuosi, family programs and the best of ballet and modern dance.

As stewards of ABT, we must again renovate the theater not only to meet the requirements of touring artists and theatrical productions, but to improve your performing arts experience.

We are proud to say \$12 million—88%—of the \$13.6 million project has been raised. However, we need your help to complete the journey. Your support for the Capital Campaign sends a powerful message that Alberta Bair Theater is a vibrant, essential part of the region. ABT will continue to present world-class performances,

engage audiences of all ages, enhance the livability of our community and contribute to the economy of our city for generations to come.

We encourage you to ask yourself “What can I give to ensure the vitality of performing arts in our community?” “What will my legacy be?” Please consider a gift that is meaningful to you and your family.

You play a vital role in the theater’s future. We humbly request your financial support to help make the Alberta Bair Theater the Crown Jewel of Performing Arts for our community.

**Jan Dietrich**  
Executive Director

**The renovations provide an enhanced performing arts experience, greater patron comfort, efficiency of daily operations, and will meet the acoustic and theatrical needs of touring artists.**

- Expanded Main Floor Lobby
- Larger Lobby & Balcony Concessions
- More restrooms on both floors
- Comfortable new seating
- Elevator & ADA Compliancy
- Improved heating and cooling system
- Grand Staircase
- New Ticket Office
- Digital Marquee
- New Lighting System
- Enhanced Acoustic Treatments
- New Sound Shell
- Onstage Green Room

**Funds have been raised from the following sources:**

- City of Billings (TIF Funding)
- Charles M. Bair Family Trust
- Founding Board Members
- Board Members
- Staff & Volunteers
- Friends of the Performing Arts and our Community

“The stage of Alberta Bair Theater will be a “must-play” destination for world class performers.

“The expanded lobby, renovated concessions area, restrooms and ticketing office will enhance patron experience.”
