"An eye-popping and high-intensity revival!" This groundbreaking twist on *The Wizard of Oz* changed the face of Broadway—from its iconic score packed with soul, gospel, rock, and 70s funk to its stirring tale of Dorothy's journey to find her place in a contemporary world. Everybody rejoice — this dynamite infusion of ballet, jazz, and modern pop brings a whole new groove to easing on down the road!

BEETLEJUICE

He earned his stripes on Broadway... now the ghost-with-the-most is coming to Billings.

05.26.27
Tickets starting at \$60

It's showtime! Based on Tim Burton's dearly beloved film, this hilarious musical tells the story of Lydia Deetz, a strange and unusual teenager whose whole life changes when she meets a recently deceased couple and a demon with a thing for stripes. With an irreverent book and a score that's out of this Netherworld, *BEETLEJUICE* is "SCREAMINGLY GOOD FUN!" (*Variety*). And under its uproarious surface (six feet under, to be exact), it's a remarkably touching show about family, love, and making the most of every Day-O!

JERSEY BOYS

The original Broadway sensation returns to the road! Celebrating 20 years - Jersey style! They were just four guys from Jersey, until they sang their very first note. They had a sound nobody had ever heard... and the radio just couldn't get enough of. But while their harmonies were perfect on stage, off stage it was a very different story -- a story that has made them an international sensation all over again. The show features all their hits including "Sherry," "Big Girls Don't Cry," "Oh What a Night," "Walk Like a Man," "Can't Take My Eyes Off You," "Beggin'" and "Working My Way Back to You." Go behind the music and inside the story of Frankie Valli and The Four Seasons in the Tony Award®-winning, original Broadway sensation, *JERSEY BOYS*. From the streets of New Jersey to the Rock and Roll Hall of Fame, this is the musical that's too good to be true.

Named after the "Invincible Sun" of Ancient Rome, this New York Times Critics' Pick is more than a performance—it's a physical revolution. Watch as the stage becomes a high-stakes playground for the impossible, blending the raw energy of hip-hop and capoeira with the fluid grace of contemporary movement. It is a celebration that defies gravity and convention alike, proving our love isn't just a feeling—it's our greatest power.

Both Sides Now is at once a piece of the 60s and 70s, and of right now – offering us a story about the messiness of being human, of lives persistently lived at the edge of growth, and of finding the courage to turn toward one another, again and again.
